## **The Blind and Low Vision Support Group**

**Wednesday, February 19th, 2025**

Dear all,

Happy New Year!

I am excited to announce that the monthly Smith-Kettlewell Blind and Low Vision Support Group is restarting this February 2025.

You are receiving this letter because you previously provided your contact information, and I would like to personally invite you to join us at the Smith-Kettlewell Eye Research Institute for these meetings. I will be leading the discussions, which will be educational in nature, with a different topic of interest each month. We already have some excellent guest speakers lined up. Each meeting will include time for questions, which do not need to be limited to the day's topic of discussion – so feel free to bring any questions you might have. The meetings are free of charge, and your family members and friends are also welcome to attend.
