

## Sight Tech Global (STG)

- Screen Reader Session
- Virtual Conference

### Sight Tech Global Screen Reader Session

- Virtually hosted by Sight Tech Global
- December 5, 2025
- 9:00 AM PST

Join STG for a special screen reader tutorial and guided practice session. Sam Proulx, accessibility evangelist at Fable and a screen reader expert, will guide you through the platforms we'll be using during the STG event. This includes YouTube and Slido; Slido is an interactive platform that allows you to participate in discussions, ask questions, and engage with speakers and other attendees through chat and polls.

#### In this session together, you'll get:

- A screen reader-focused walkthrough of the event platform
- Hands-on practice with a live simulation
- Time for any questions about STG's accessibility and navigation
