

Topic: What is Orientation and Mobility (O&M), and How Can it Help Me?

This June, we will have guest speaker Gina di Grazia join us to discuss how to individualize orientation and mobility with the use of tools and practice.

Logistics:

- Guest speaker: Gina di Grazia, MA, OTR/L, COMS, CLVT
- Date: Wednesday, June 17, 2026
- Time: 3:30 PM - 5:00 PM
- Format: In-Person with virtual component (Zoom)

Gina is an occupational therapist who specializes in mobility and low vision, and this month one of her clients will be joining us to provide a full perspective of what it means to participate in individualized care. Gina will also be providing tools such as canes to practice on-site. Her goal is to build safety, confidence, and independence in the

blindness/low vision community. We really hope you join us to discover what that means for you.

In-person attendance is strongly encouraged. A Zoom option will also be available for those who prefer to follow along remotely and ask questions.
